

NeuSkin Vinyl Clear MG300 Series

Characteristics and Overview:

NeuSkin Vinyl Powder Free Exam Gloves provide a latex free and powder free solution to hand protection. Formulated from a special synthetic component and soft PVC material, these gloves are softer and are more elastic to fit snugly and comfortably to the hands for even the toughest job. Powder-Free synthetic contains no natural rubber latex proteins. 100% latex free and minimizes the risk of latex protein and chemical residue related allergies. Very soft and flexible to fit snugly and comfortably.
