

NitraCare Plus PF Nitrile MNE505 Series

Characteristics and Overview:

Medgluv best selling latex-free glove, NitraCare Nitrile will offer you the protection of Nitrile and feeling of latex. Featured with an advanced stretch formulation, it will provide you ultimate comfort for extended periods. These latex-free gloves offer a high valued and dependable solution to those allergic to natural latex protein. These gloves, formulated with 100% synthetic nitrile polymer, are latex free, powder free and odor free. The unique thermal sensitive polymer compound absorbs body heat and easily conforms to user's hands; thus, everts virtually no pressure on the hands and reduces fatigue after extended wear.
