

3pp[®] Buddy Loops[®]

Soft, foam-lined 3pp[®] Buddy Loops[®] are the most effective and comfortable way to buddy wrap fingers for protection to treat swollen, jammed or sprained fingers. Ideal for clinics to replace sticky tape and rough hook straps.

Features

- Easy, one-handed application is idea for patient use.
- Soft foam lining prevents slipping and rolling.
- Available in three widths to fit a broad range of finger sizes.
- Use one to secure the 4th and 5th fingers; use two as needed for greater control.
- Washable and reusable. Latex-free.

Order Information

Available in 1/2", 3/4" and 1" widths. All are 5" long.
