

# 3pp<sup>®</sup> ThumSling<sup>®</sup> Long NP

The 3pp ThumSling Long NP has added wrist support and the same great support for CMC joint arthritis. The ThumSling Long NP has a contoured strap that allows the wearer to customize the degree of control and compression.

## Features

- The dense foam of the 3pp ThumSling Long NP offers the next level of support and control for those who need more control to reduce pain.
- The ThumSling Long NP is fully adjustable so the wearer determines how much compression to apply to stabilize the thumb and relieve pain during activity and rest.
- Resilient, breathable material has light stretch that contours to the hand without being bulky or restrictive.
- The flexible stay (included) can be added wherever extra support is needed.
- Hand or machine washable. Latex-free.
