

3pp[®] Wrist Wrap

The 3pp[®] Wrist Wrap provides controlled compression with its non-slip foam lining to support sprained or strained wrists during activity.

This splint can also be used for tendinitis, cumulative trauma injuries, arthritis or Ehlers Danlos Syndrome. The low profile design is unobtrusive and provides infinitely adjustable support.

Features

- The 3pp Wrist Wrap works by compressing the muscles and tendons to help relieve pain and apply flexible support.
- Unlike elastic straps, the Wrist Wrap will not roll or bind and stays comfortable all day.
- Breathable foam-lined material keeps moisture away and assures that the Wrist Wrap stays cool even during competitive sports.
- Machine washable. Latex-free.

Order Information

Measure around the wrist to size. Fits both right and left hands.

	Product Number	Fits
Sm/Med	P3008-R23BK	6 1/4" to 7 1/2"
Med/Lrg	P3008-R34BK	7" to 8 1/2"
