

Product Description:

- Gown Dispenser - Bulk
- Holds a wide variety of gowns in bulk quantity
- Hinged lid with opening at bottom of unit
- Keyholes for wall mounting and cut out for door hanger
- Made of quartz ABS plastic

Primary Area for Product Usage:

- Patient care areas: ICU, medical clinics and offices, oncology, interventional radiation, labs
- Any location where PPE supplies are used for isolation and staff protection

Dispenses:

- Most standard-size flat-pack gowns - approximately 1 package (quantity varies with type of gown)

Accessories (sold separately):

- BOWMAN® door and wall hangers: MB-450, MB-500, MB-510, and MB-600

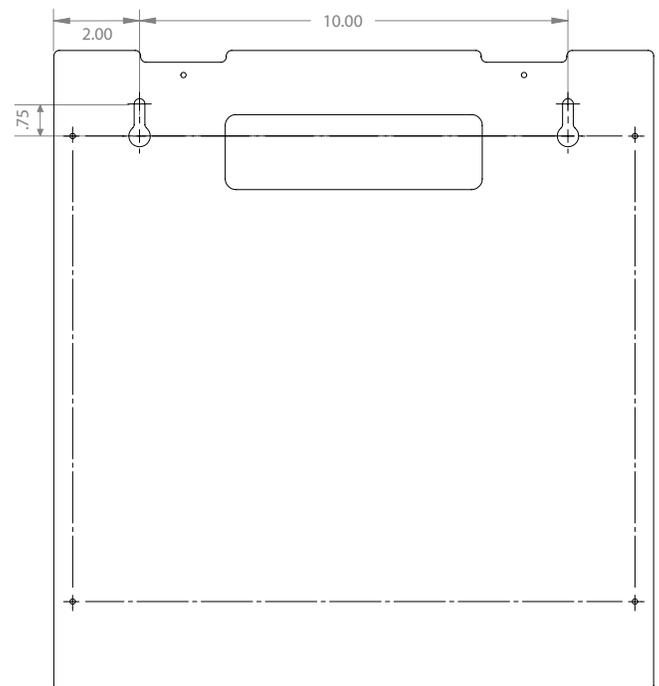

Package Specifications:

- 24"L x 16"W x 6"H (61.0 cm x 40.6 cm x 15.2 cm)
- 6.0 lbs (2.7 kg) - approximated

Product Specifications (overall external dimensions):

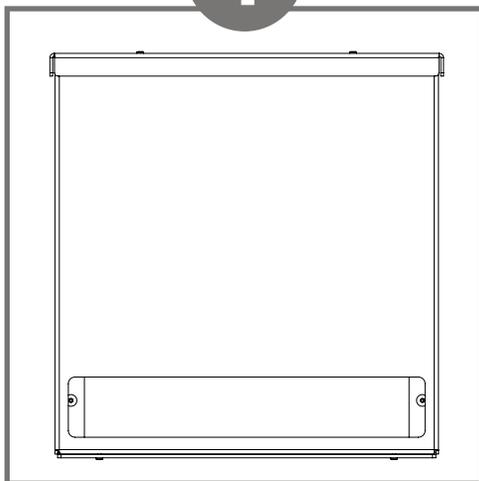

- 14.70"W x 15.12"H x 5.04"D (37.3 cm x 38.4 cm x 12.8 cm)
- 2.65 lbs (1.2 kg) - approximated

Mounting Specifications:

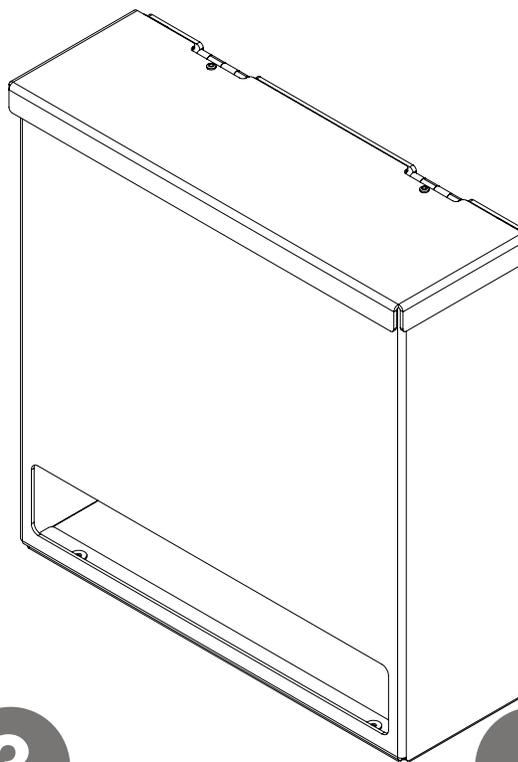

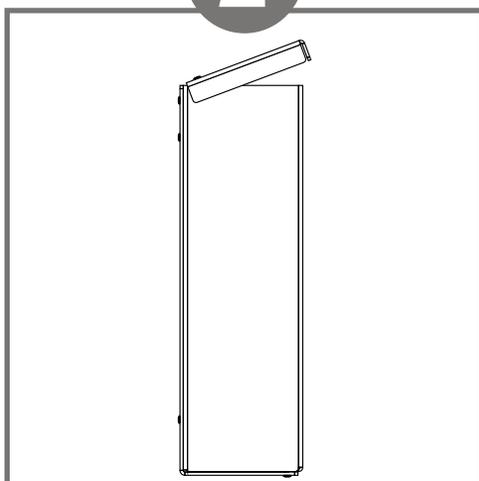

1

Wide dispensing opening makes access to product quick and easy.

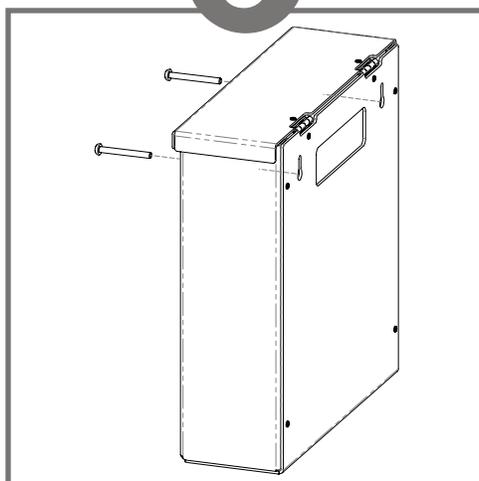

2

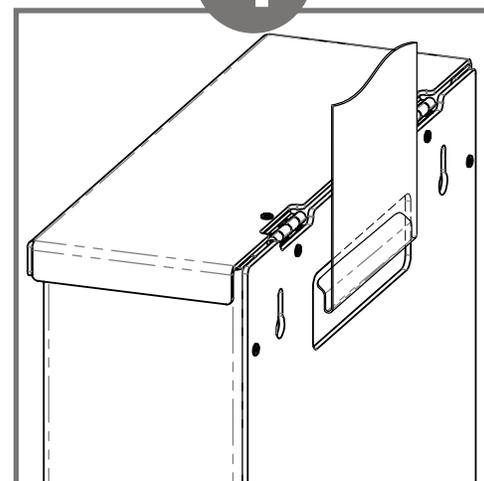

Hinged lid ensures efficient and effortless product stocking.

3

Dispenser should be mounted securely to wall through keyholes in back with screws approved and provided by building maintenance.

4

Alternatively, the dispenser can be mounted on a door or wall using a BOWMAN® hanger. Note that dispenser should be mounted to the door or wall *prior* to loading with product.

Parts included:

- Gown Dispenser

Tools required:

- No tools required for assembly of dispenser

Advantage

Designed for Long-Term Heavy-Duty Applications

The combination of copolymers (Acrylonitrile, Butadiene, and Styrene) gives ABS an excellent combination of strength, rigidity, and toughness.

Major Benefits

Durable

ABS is chemical and stress-crack resistant. It is tough, dimensionally stable, and will hold up to long-term use.

Cleaning

Use mild soap and water to clean. Petroleum-based oils, solvents, and paints should not be used.

Strength

ABS plastic possesses high strength and performance characteristics at a reasonable cost. These qualities make it perfect for a wide variety of applications, including medical and laboratory equipment.

Appearance

The quartz, lightly textured finish has a clean, attractive look.
