### Features & Benefits

Prodigy<sup>®</sup> undercounter cubers use **significantly less energy and water** than other cube ice machines, exceeding Federal energy efficiency regulations.

The patented **WaterSense adaptive purge control** delivers maximum reliability by reducing scale buildup for a longer time between cleanings.

All external panel components are crafted for **optimal aesthetic appeal** through superior fit and finish.

**Preventative maintenance is simpler** than ever with easily-removed door, top panel and storage bin allowing clear access to all internal components and a diagnostic code display insuring the right fix the first time.
