

Flat Digital Scale

Accurate results of the DS500 are easy-to-read thanks to a clear display and 2" tall numbers.

Sleek design with clear legibility.

KEY FEATURES

The “Auto-On” feature of the DS500 switches on the scale when the patient taps on the heavy duty glass platform. The weight is shown in a 2" high LCD display. The tempered glass weighing surface is 12" x 12" and the height of the scale is just 3/4" high. The DS500 can display weight in lb or kg.
