SDS Not Required

Date: April 7, 2015

To: SDS Requestor

Subject: The SDS you have requested

In response to your request for a material safety data sheet, according to the OSHA Hazard Communication Standard (Right-to-Know), an SDS is not required for the requested product(s). Products such as drugs, cosmetics, food, or alcoholic beverages, wood or wood products, and tobacco or tobacco products as defined in 29 CFR 1910.1200(b)(6), are exempt from the Hazard Communication Standard. Items that are considered articles as defined in 29 CFR 1910.1200 are also exempt from this standard.

The requested products are not regulated as hazardous material for shipping in accordance with the U.S. Department of Transportation, and have no hazardous storage limitations as defined by the National Fire Protection Association.

All products produced at Mason Vitamins, Inc. are exempt from these regulations.
Please contact us if you have any further questions.
