

MAJOR 

EFFERVESCENT DENTURE CLEANSER

CLEAN WITH THIS PRODUCT AT LEAST ONCE A DAY TO:

- Kill the bacteria that cause denture odor.
- Dissolve away stains that brushing leaves behind.
- Reduce plaque buildup and remove food particles that can cause gum irritation.
- Keep dentures fresh and clean.

<p>1. </p> <p>Drop one tablet into a glass or denture bath containing enough very warm (not hot) water to completely cover the denture.</p>	<p>2. </p> <p>Immediately place denture or bridge in effervescing solution for 15 minutes.</p>	<p>3. </p> <p>When blue color fades to clear, dentures are clean. It is safe to soak full dentures in solution overnight.</p>	<p>4. </p> <p>Remove and rinse denture thoroughly in running water – they are now fresh and ready for use. Long-standing stains may need extra soaking.</p>
---	--	---	---
