Unit Dose
FERROUS GLUCONATE TABLETS
324 mg.

Supplement Facts

Serving Size: 1 Tablet

Amount Per Tablet	%Daily Value*	
Iron (as Ferrous Gluconate)	37.5mg	208 %

*U.S. Recommended Daily Allowance of Iron for adults and children 4 or more years of age.

Inactive Ingredients: Microcrystalline Cellulose, Croscarmellose Sodium, Stearic Acid, Hypromellose, Magnesium Silicate, Titanium Dioxide, Triacetin, Mineral Oil, FD&C Yellow #5 Lake**, Sodium Lauryl Sulfate and FD&C Blue #1 Lake.

****WARNING:** Contains FD&C Yellow #5 Lake (Tartrazine) as a color additive.

Warning: The treatment of any anemic condition should be under the advice and supervision of a physician. Iron-containing medication may occasionally cause constipation or diarrhea. Since oral Iron products interfere with absorption of oral tetracycline antibiotics, these products should not be taken within two hours of each other. Do not exceed recommended dosage. As with any drug, if you are pregnant or nursing a baby, seek the advice of a health professional before using this product.

Warning: Accidental overdose of iron containing products is a leading cause of fatal poisoning in children under six. **Keep this and all medication out of reach of children.** In case of accidental overdose, call a doctor or Poison Control Center immediately.

Suggested use: Adults, take one (1) tablet daily as a dietary supplement preferably with a meal. Store at 20°-25°C (68°-77°F); excursions permitted to 15°-30°C (59°-86°F). [See USP Controlled Room Temperature]
