in FiberCon®

ACTUAL SIZE

90 Tablets

Drug Facts

Active ingredient (in each tablet)

Calcium Polycarbophil 625 mg Bulk-forming laxative
(equivalent to 500 mg polycarbophil)

Uses

- relieves occasional constipation to help restore and maintain regularity
- this product generally produces bowel movement in 12 to 72 hours

Warnings

Choking Warning: Taking this product without adequate fluid may cause it to swell and block your throat or esophagus and may cause choking. Do not take this product if you have difficulty in swallowing. If you experience chest pain, vomiting, or difficulty in swallowing or breathing after taking this product, seek immediate medical attention.

Ask a doctor before use if you have

- abdominal pain, nausea, or vomiting
- a sudden change in bowel habits that persists over a period of 2 weeks

Ask a doctor or pharmacist before use if you are taking any other drug. Take this product 2 or more hours before or after other drugs. All laxatives may affect how other drugs work.

When using this product

- do not use for more than 7 days unless directed by a doctor
- do not take more than 8 tablets in a 24 hour period unless directed by a doctor

Stop use and ask a doctor if rectal bleeding occurs or if you fail to have a bowel movement after use of this or any other laxative. These could be signs of a serious condition.

Keep out of the reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.

Directions Take this product with at least 8 ounces (a full glass) of water or other fluid. Taking this product without enough liquid may cause choking. (See choking warning). Do not take more than 4 doses in 24 hours • **adults & children over 12 years of age:** take 2 tablets 1 to 4 times a day • **children under 12 years of age:** consult a physician

Other information

- each tablet contains: **calcium 140 mg/tablet**
- store at room temperature, USP • protect from moisture • do not use if imprinted safety seal under cap is broken or missing • *This product is not manufactured or distributed by Wyeth Consumer Healthcare, owner of the registered trademark FiberCon®.

Inactive ingredients

Caramel, crospovidone, hypromellose, magnesium silicate, magnesium stearate, microcrystalline cellulose, mineral oil, polyethylene glycol, silica, sodium lauryl sulfate and stearic acid
