**Supports a
healthy
sleep cycle†**

Dietary Supplement 60 TABLETS

Supplement Facts

Serving Size: 1 Tablet

Amount per Serving	% Daily Value
Melatonin	3 mg *

*Daily Value not established.

OTHER INGREDIENTS: Microcrystalline cellulose, stearic acid, magnesium stearate, silica.

DIRECTIONS: Adults - take one tablet, preferably 20 minutes before bedtime, as a dietary supplement, or as directed by a doctor.

WARNINGS: For adult (18 years of age and over) use only. Not for use by children, teenagers, pregnant or lactating women. Consult a physician before use if you are a woman of childbearing age or if you are currently taking any medication. DO NOT take this product if you have autoimmune conditions, depressive disorder, heart, liver, kidney or any other disease without consulting a physician. Do not take this product prior to driving a motor vehicle or operating machinery.

FREE OF: Yeast, wheat, gluten, milk or milk derivatives, lactose, sugar, preservatives, artificial colors - flavors, sodium, starch and animal by-products.

Melatonin is a substance produced by the body to help regulate the natural sleep cycle. Melatonin declines with age and can diminish with use of substances like caffeine, certain medications and alcohol. Major Melatonin can help replace the melatonin needed to promote a healthy sleep cycle. †

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Keep out of reach of children.

Store product at room temperature.
Do not expose to excessive heat or moisture.

Tamper Resistant: Do not use if imprinted safety seal under cap is broken or missing.
