# SILENT KNIGHT®

## Tablet Crushing System

### Silence... A Source of Great Strength

Silent Knight's patented pouch is specifically designed with a curved base and curved opening to guarantee the full recovery and accuracy of all medications. When used with the Silent Knight, the pouch will effectively eliminate cross contamination and ensure accurate medication dosage.

- SILENT: Will not disturb patient
- EFFICIENT: Crush multiple tablets at once
- PATIENT SAFE: Eliminates cross contamination
- USER SAFE: Requires minimal force to crush
- ACCURATE: Complete dosage for patient
- PROVEN: The gold standard for tablet crushing

Place tablets into Silent Knight pouch.

Lift handle and insert pouch between the crushing plates.

Press handle down firmly to break tablets.

Repeat as needed to pulverize.
