

Therapeutic Pillows

Memory Foam Knee Separator Pillow

Our Memory Foam Knee Separator Pillow helps relieve pressure and strain on your lower back and aligns your back, hips and knees for a more comfortable night sleep. Soft and resilient, contoured visco-elastic foam with Velcro® strap cushions knees and stays comfortably in place between your legs throughout the night. Includes a soft terry cloth cover.

Product Features:

- Helps relieve pressure and strain on the lower back, knees and joints
- Promotes proper spine alignment
- Improves circulation
- Contoured hourglass shape
- Soft terry cloth cover with adjustable Velcro® strap to secure on leg

Product Specifications:

- 100% visco-elastic memory foam
- Attractive retail packaging
- Size: 9" x 7.5" x 5"
- 16/case or each
